Customer Signature and Acceptance

I testify that the information provided on this rebate application is true and accurate. I also agree to abide by the terms and requirements outlined in the City of Boulder City's Program. I recognize that all the elements of the program are subject to periodic review and can be amended, altered or discontinued at the discretion of the City of Boulder City. I also recognize and agree the City may choose to physically inspect the Pool Pump and may disallow payment of a rebate if the Pool Pump does not meet the program requirements as defined and intended by the City.

Available to City of Boulder City
Residential Electric Customers Only.

Pool Pump Rebate Program Eligibility Requirements

The Pool Pump Rebate Program is available to all Boulder City residential electric customers with existing single speed pool pumps. The following eligibility requirements apply:

1. To be eligible for a rebate, the system must be a new two speed or multi speed pool pump installation that replaces* an existing single speed pool pump in an existing home in the Boulder City electric service territory.
2. A completed rebate application form must be submitted within 60 days of the installation date.
3. A dated contractor invoice will be required as proof of installation date.
4. Residential purchasers of qualifying equipment may be subject to an on-site inspection by a Boulder City representative to verify equipment is properly installed and operational.
5. Rebate amounts are per unit.
6. Swimming pool must be a permanent fixture with a permanently installed pump, motor, filter and automatic timer to control the operation of the pump.
7. Customers must fulfill all program guidelines and submit a complete rebate application form and all applicable transactional data to be eligible for incentives.

Note: Above ground, empty pools and stand-alone spas are not eligible for the pool rebate.
