

Permits for Manufactured Housing

You may be wondering what improvements to your manufactured home require a building permit through the City, so we have created a short list to provide you with that information. The following types of work associated with manufactured housing require a building permit:

- The construction, alteration, or modification of *detached structures* accessory to manufactured homes, on the same lot, in excess of 120 square feet.
- *Continuous footings* for the support of manufactured housing. This condition is applicable for *conversions to real property* and standard setup for skirting, foundation support and enclosure.
- The construction and *attachment of awnings and carports* whose live load is more than 20 pounds per square foot. Such structures shall not be attached to a manufactured home or mobile home, except for flashing for waterproofing.
- For *new single family homes on residential lots*, connection to all public utilities will be permitted and inspected by Building and Safety Division staff.

Other types of work for your manufactured home require permits which are issued by the State of Nevada Manufactured Housing Division. Those types of work include:

- The replacement of water heaters and air conditioning equipment
- Utility hookups (sewer, gas and electric to existing pedestals) of *moved structures* to existing spaces in mobile home parks
- Attachments of light weight metallic structures (awnings, carports, steps and porches)

To contact City staff regarding a permit, please call the Community Development Department at 702-293-9282. To contact the State of Nevada, please call 702-486-4135.

The Boulder City Police Department is seeking applicants for Police Service Volunteers

Volunteers donate their time in various areas of the department and perform a variety of tasks including: Assist at the range with firearms training, Emergency call outs, Code Enforcement, In Station Fingerprints, Field Traffic Control, Special Assignments/Events, Admin/Computer Data Entry, Handicap parking enforcement, Community Education, Vacation Checks, Neighborhood Watch.

Volunteers have the opportunity to help enhance services, enabling police officers to respond more effectively to enforcement and policing priorities.

If you are interested in becoming a Police Service Volunteer, please contact Pat Richardson, Volunteer Service Coordinator at 702-589-9603 or pick up an application at the Boulder City Police Department, 1005 Arizona St.
