INSTRUCTIONS

The provisions of Chapter 616A to D, inclusive, of the Nevada Revised Statutes require every person, firm, voluntary association, and private corporation, including any public service corporation, which has any person, subcontractor, or independent contractor, under contract of hire, to obtain industrial insurance coverage in Nevada or obtain a certificate of self-insurance from the Nevada Commissioner of Insurance. **Subcontractors and independent contractors engaged in the same trade, business, profession or occupation as the hiring person or business, are by law considered to be employees.** One exception to the requirement for industrial insurance is if you or your business hires no employees, subcontractors or independent contractors. You are not required to obtain industrial insurance coverage for the following employees: theatrical or stage performers; casual musicians; household domestics, farm, dairy, agricultural or horticultural laborers, or persons engaged in stock or poultry raising; voluntary ski patrolman; real estate brokers and/or salesmen; direct sellers; or clergy. Businesses which elect to obtain industrial insurance coverage for such persons, gain valuable rights and significantly reduce liabilities for injuries to these persons. **A business which hires persons who are exempt from the provisions of Chapter 616A to 617, inclusive, of the Nevada Revised Statutes may be held liable in tort for injuries to those persons.** A business which hires exempt persons may elect to obtain industrial insurance, including sole proprietor coverage and partnerships.

IMPORTANT NOTICE: Pursuant to the provisions of NRS 616D.200(1): Any employer within the provisions of NRS 616B.633 who fails to provide, secure or maintain compensation as required by the terms of this chapter, is: (a) for the first offense, guilty of a **misdemeanor** and (b) for a second or subsequent offense committed within 7 years after the previous offense, guilty of a **category D felony**.

Definitions for Purposes of this Affirmation:

"Applicant" is the person executing this document.

"Business Name" is the name under which the business will operate, including the identification of any other names under which the entity will do business.

"Corporation" is a business which is incorporated in the state of Nevada or in any other state, and which is recognized as an active corporation by the Secretary of State for the State of Nevada.

A Type of Business@ means the nature of business . . .

"Individual" is a person who operates a business which hires no employees, subcontractors or independent contractors.

"Partnership" is a business which is owned and operated by two or more individuals who share ownership rights to the net profits of the business and who share in all the liabilities of that business. A limited partnership is included in the term partnership if the limited partners are investors only, and do not perform services for the business.

"Principal Owner" is the owner, sole operator, designated general partner, or resident agent for the corporation.

"Sole proprietor" is a self-employed owner of an unincorporated business and includes working partners and members of working associations which may or may not hire employees.

Checklist for New Business Inspections
Commercial Fire Inspection
(Boulder City addresses only)

Please contact the Fire Department for your New Business Inspection once you have moved any and all equipment, supplies, computers, etc into the business address (as if you were ready to open the business tomorrow).

The inspectors will be looking for the following compliance areas, if applicable:

Exit Ways:

Identify exit doors and clearly mark with Exit Signs that are "Illuminated". If no power, you may use a Self-Luminous UL approved Tritium Exit Sign (they are warranted for 10 to 20 years). (Exitsigns.com, Grainger.com, etc.) Make sure that no flammable liquids are near exit ways. Make sure that nothing is in front of your exit doors. Exit door must have sign "Must Remain Unlocked During Business Hours". Must be permanently affixed and installed on the egress side of the door jam and shall be in letters one inch high on a contrasting background per the 2009 IFC Section 1008. Provide exit signs to indicate direction of egress.

Storage:

18" clearance for heat-producing appliances. Combustible materials storage must be orderly. Remove any kind of storage from exits, aisles and corridors. Remove storage from mechanical room – electrical panel clearance. Make sure that storage is not too close to the ceiling – 2 ft if not sprinkled/ 18' if sprinkled.

General:

Place address so it is visible from the street from both directions. Contrast the color of the address number with the color of the background. Illuminate the address directly or indirectly so it is visible at night. Address must be displayed at each entrance - less than 100 feet from the curb requires minimum of 8 inch high numbers; further than 100 feet from the curb requires minimum of 12 inch high numbers. Unit number on rear door must be a minimum of 3 inches high.

Alarm Systems:

Fire Sprinkler, Monitoring, and Alarm systems maintained, tested, and tagged by State Fire Marshal approved company.

Fire Monitoring Systems:

Provide maintenance and inspection agreements via 702-293-9221 Fax or fire@bcnv.org

Sprinkler Extinguishing Systems:

Provide sprinkler maintenance agreement. Repair defective, damaged, corroded, or painted heads immediately.

Fire Extinguishers:

Have extinguisher(s) serviced and tagged annually. Hang extinguisher top no more than 5 feet from floor. Post sign for extinguisher(s) that are not readily visible.

Approved Fire Extinguishers:

1. You can purchase a five (5) LB fire extinguisher thru any fire extinguisher company. Look in Yellow Pages under "Fire Extinguisher". They will place the current State of Nevada approved tag on the extinguisher. Every year you will need to have the extinguisher inspected thru an licensed fire extinguisher company and tagged with a current State of Nevada approved date tag. According to OSHA, the inspection tag must list the date of the last inspection and when the next inspection is due. Maintenance of all fire extinguishers is required on an annual basis.
OR
2. Store bought five (5) LB fire extinguishers are acceptable with current year date stamp on bottom of extinguisher. You will need to purchase a new extinguisher every year w/ current date stamp on bottom of extinguisher or you will need to have the extinguisher inspected by a licensed fire extinguisher company and tagged with a current State of Nevada approved date tag. According to OSHA, the inspection tag must list the date of the last inspection and when the next inspection is due. Maintenance of all fire extinguishers is required on an annual basis.

Knox Box:

Provide Knox Box if you have an Alarm system and/or a Sprinkler system. You can obtain a Knox Box order form at the Fire Station.

Please complete the form and return it to the Fire Department for the Fire Chief's written approval or you can order on line:

<http://www.knoxbox.com/store/findDept.cfm> Once written approval is obtained by the Fire Chief you will either mail in the form with a check to the Knox Company or if paying via credit card the fire station can scan and email the form directly to the Knox Company. It takes approx. two weeks after the order is received to receive the Knox box from the company. The box will be mailed directly to you. Once you have installed the Knox box, please contact the fire station on duty Captain to request they come to your location, open the box, and place the business door key you are providing into the box.

<http://www.knoxbox.com/store/Knox-Box-3200-Series.cfm>

Electrical:

Provide cover plates for electric outlets. Make sure there is no use of extension cords. Power surge protectors are allowed.

Commercial Cooking:

The hood system must have been serviced and tagged in the last six months; if not, have service performed. Clean grease filters.

Must have a 40BC extinguisher within 30 feet of cooking. Extinguisher system must remain operative at all times. Provide maintenance agreement with fire protection company to the Fire Department.

Gases:

Identify compressed gas cylinders. Secure compressed gas cylinders. Provide protection for gas meters. Indicate individual unit numbers on meter banks.

Inspections are done Monday - Friday, except holidays, between the hours of 10:00 am and 4:00 pm. The on-duty Boulder City Fire Department crewmembers perform the New Business Inspections. We try to give an approximate time of the appointment however, if there is an emergency call, the crew will try to be at your place of business as soon as possible after the emergency call.
