You will dance your first night! Square Dance and Contra Dance have common roots. Eileen and Ned are coordinating the dancing so the figures taught are used in both forms of dance. Ned Newberg has called Square Dancing for over 25 years, and has experience with both re-fresher and new dancer classes. Ned says "my goal is for the dancers to have fun". Eileen Hug has taught folk dancing for over 20 years. Eileen started calling contra six years ago for the monthly contra dance.

<sup>a</sup>*Social Square Dancing is fun level dancing that puts dancers in fun mode the first night.*

<sup>b</sup>*Contra Dancing figures will be taught each night as needed for the dances.*

<sup>c</sup>*Contra dances on these dates will be to recorded Cues*
