One (1) copy of the application must be filled out completely and accurately and submitted, together with required maps and filing fee, to the Community Development Department. When plans have been revised according to direction by City staff and are in compliance with the requirements of Title 11, the application will be scheduled for the next available Planning Commission meeting (if applicable). The Commission generally meets on the third Wednesday of each month at 5:00 p.m. in the Council Chamber, City Hall, 401 California Avenue, Boulder City. The applicant may check with the Community Development Department by telephoning **(702) 293-9282** to verify dates and deadlines for the Planning Commission meetings.

An application requiring subsequent consideration by the City Council (CC) is usually scheduled for such meeting within three to five weeks following action or recommendation by the Planning Commission (PC), depending on the type of action.
