

What's Happening around the City of Boulder City

Complete Streets Phase 2 Virtual Meeting

Wider bike paths? Safer road crossing areas for walkers? What would you like to see on Boulder City Parkway from Nevada Way to the entrance of the Lake Mead Recreational Area? Help design this main roadway by joining an online virtual public meeting for the Boulder City Parkway Complete Streets Project, Phase 2. The virtual site, available via a link at www.bcnv.org/CS2, will be "live" for four weeks, and you will be able to obtain the latest project information as well as provide input on elements you would like to see incorporated into the project's design/construction. Comments will be accepted through the virtual meeting website, the project email at info@bcparkway.com, and via mail using the project contact information through 5:00 p.m. on June 16, 2023.
