## Ram Cam Puts Spotlight on BC's Bighorn Sheep

Watching the Bighorn Sheep graze in Hemenway Park has become quite a tourist attraction. Now, you can watch these majestic animals anywhere, anytime, thanks to the newly launched "Ram Cam" live video camera feed. The camera was placed in the northwest corner of Hemenway Park, located at 401 Ville Dr. In the week since it was officially launched, the stream has attracted more than 22,000 views, with coverage from local newspapers and TV stations! The

Ram Cam was first suggested in March 2022 under the leadership of Roger Hall. City staff from various departments and divisions worked together to plan and install needed technology over the past few months. The project also links the security cameras at Hemenway ballpark to the City's network. The equipment cost just under \$6,000, which came from the City's General Fund.
