Boulder City Fire Department Assisting in Maui

Boulder City Fire Department has been requested to assist in Maui, where wildfires have killed more than 90 people and destroyed \$1.3 billion in property. It is estimated that as many as 1,000 are still missing. Friday, Boulder City Firefighter Carl Ford deployed to assist in the efforts there. (FEMA will reimburse expenses once he returns.) Also assisting in the efforts are Boulder City Reserve Battalion Chief Mike Porter and his search and rescue canine, Dexter. Please keep Carl, Mike, Dexter, other firefighters and the people of Hawaii in your thoughts. If you need help locating a missing person, call 1-800 RED CROSS (1-800-733-2767) and select Option 4, then follow the voice prompts for "Hawaii Wildfires."

LED Light Installation at Buchanan and Adams Complete

The Boulder City Streets Division finished installing flashing LED-lighted stop signs at the intersection of Buchanan and Adams. There are now eight LED stop signs at that intersection—two at each stop. This week, the crew will be painting the nose cones in the medians and installing pre-warning signs. Safety experts say these signs are much more visible, reducing the number of cars that fail to stop. Great job by this team for getting it done in less than a week!
