SNWA Increases Cash for Turf Removal

Maintaining grass in the desert is RUFF, but for a limited-time only, Southern Nevada Water Authority (SNWA) has raised the WOOF on the Water Smart Landscapes Rebate! Whether you do it yourself or hire a contractor, SNWA will rebate single-family residential properties \$5 per square foot of grass removed* and replaced with desert landscaping up to the first 10,000 square feet converted, and \$3.50 per square foot thereafter per property. Visit www.snwa.com for more information today!

Fine print: This rebate applies to homeowners only. Project must be completed in 2024. Restrictions apply. Landscape conversions must be completed in 2024 to be eligible. You must apply prior to removal.
