

BALLOT QUESTION ____

City of Boulder City

Shall the City of Boulder City expend a total amount not to exceed Nine Million Dollars (\$9,000,000.00) from the Capital Improvement Fund in addition to the Seven Million Dollars (\$7,000,000.00) previously approved by the voters in 2021 for a swimming pool recreational project, as funds become available from the proceeds of the sale and lease of City lands?

Yes []

No []

EXPLANATION & DIGEST

Section 142 of the Boulder City Charter directs a portion of the proceeds from the sale, lease, and other dispositions of City owned lands including, without limitation, solar leases, to be placed in a special fund known as the Capital Improvement Fund. Section 143.1 of the Boulder City Charter requires that “all expenditures from the Capital Improvement Fund be approved by a simple majority of the votes cast by the registered voters of the City on a proposition placed before them in a special election or general Municipal election or general State election.” NRS 268.730 allows Boulder City to “acquire, improve, equip, operate and maintain” a recreational project including a swimming pool, and all structures, fixtures, furnishings, and equipment therefor.

In 2021, Boulder City voters approved Seven Million Dollars (\$7,000,000.00) from the Capital Improvement Fund for a swimming pool recreational project. This measure seeks voter approval of the expenditure of an additional total amount not to exceed Nine Million Dollars (\$9,000,000.00) from the Capital Improvement Fund for a swimming pool recreational project, as funds become available. This measure would close the gap necessary for funding a swimming pool recreational project. The measure would allow Boulder City to expend Boulder City public funds. This measure does not propose to add to, change or repeal existing law, and will not increase taxes or fees.

A “YES” vote would allow the City of Boulder City to expend funds from the Capital Improvement Fund in the amount of up to Nine Million Dollars (\$9,000,000.00) in addition to the Seven Million Dollars (\$7,000,000.00) previously approved by the voters in 2021 for the purpose of funding a swimming pool recreational project.

A “NO” vote would not allow the City of Boulder City to expend an additional Nine Million Dollars (\$9,000,000.00) from the Capital Improvement Fund for the purpose of funding a swimming pool recreational project.

ARGUMENT FOR PASSAGE
(to be developed by committee)

ARGUMENT AGAINST PASSAGE

(to be developed by committee)

FISCAL IMPACT

This will impact the Capital Improvement Fund in the amount of Nine Million Dollars (\$9,000,000.00) and then only if funds are available within the Capital Improvement Fund. This question does not require an expense that will require the levy or imposition of a new tax or fee of the increase of an existing tax or fee.
