

What's Happening around the City of Boulder City

Welcome City Planner Nakeisha Lyon

Community Development has a new City Planner: Nakeisha Lyon remotely joined the team last week. Born in Jamaica, she moved to Lake Mary, Florida at the age of six. She graduated from Florida State University with a Bachelor's in Environmental Studies in 2016. While working on her Master's in Urban and Regional Planning in 2020 at the University of Central Florida, she worked as a Planner 1 for the City of St. Cloud, Florida for 1.5 years, and then as a Facilities Planning Specialist for the School District of Osceola County, Florida for a year. She worked as a Planner 2 for the City of Bozeman, Montana since 2020. "I wanted to work for Boulder City because I was impressed by the quality of services and amenities that the City provides to its' residents and visitors alike especially for such a small quaint town," Nakeisha said. "I knew that I wanted to be a part of the friendly and talented staff that work to make this community thrive, especially as a City Planner who is a key component in shaping the built environment, preserving historical and cultural assets, and creating open spaces and social hubs that make Boulder City what it is. I'm looking forward to building relationships with my peers and getting to know the community whether it be through chit chats in the breakroom or assisting customers with planning and zoning questions! I hope to make a positive impact through my work for Boulder City!" Nakeisha has an Irish Wolfhound, Pinto Bean, and a ferret, Charlie. She should be officially here at City Hall on March 27!
