## Contractors Receive Unique Historic Restoration Training

The Historic Preservation Window Restoration Workshop this weekend was a great success!! Participants learned from Bob Yapp, the host of “About your House” and founder of The Belvedere School for Hands-On Preservation. Bob is also founding member of The National Window Preservation Standards Collaborative. His first book, About Your House, was published in 1997 and he is a co-author of The National Window Preservation Standards, published in 2013.
