

What's Happening around the City of Boulder City

Understanding BC Parking Regulations

Residents regularly tell Police and Code Enforcement that they are confused about the ability to park in front of homes in Boulder City. To clear up the confusion, the Boulder City Police Department and Communications Division has developed a flow chart for those seeking clarity. Boulder City Traffic Regulation 10-6-3 is more strict than Nevada law: No person shall park a vehicle on any street for a period of time longer than twenty-four (24) hours, except in an area contiguous to his or her residence. Failure to comply with either state law or the BC ordinance may result in a citation

and/or the vehicle being impounded and stored at the registered owner's expense. By answering some simple questions on the flow chart, a resident can determine if their vehicle is violating state law and our City Code. The chart is on the Boulder City website at www.bcnv.org/parkingcode.
