

## BC Welcomes Dustin Wichaël to the Team!!!

Earlier this month, Dustin Wichaël joined the Public Works Department as an HVAC Technician. He's originally from Las Vegas, but spent his teenage years living in a small town called San Quintin (in Baja California, Mexico) as well as in Tijuana. Dustin went to trade school for HVAC/R and most recently worked for Royal Refrigeration, servicing and repairing commercial HVAC, refrigeration and kitchen equipment before starting with the City. "Dustin stood out with his strong performance on both the HVAC written test and interviews," said Kyle Hammond, Building and Facility Maintenance Supervisor. "We are confident he will be a valuable addition to the Public Works team!" Dustin is single, no kids, a dog named Buddy ("who

lives up to his name," Dustin says) and two cats: Walker and Texas Ranger. In his spare time, he enjoys "building, tinkering, making and fixing things." When he's not doing that, he's outside, taking in nature. "What I look forward to most working in Boulder City is to find my place in this community," Dustin said. "Most of the people I have met call Boulder City "home." All have been very warm and welcoming, and that makes me feel at home, too." He's a fan of the Dallas Cowboys, The A's and the Golden Knights. *(We asked him to tell us something interesting about him that nobody knows: "I am the third oldest of eleven siblings ... lol ... you read that right!")* Welcome to Boulder City, Dustin!
