

Shop Small and Help our Neighbors!

Small businesses are the foundation of many communities. They are here for us in times of need, as we saw during the pandemic. They help boost civic pride and engagement through sponsorships and special events. Here in Boulder City, we are proud to once again celebrate by shopping at a small business on November 30, the 15th Annual Small Business Saturday! This year, the "Shop the Block" program could save you money while helping local businesses. Boulder City businesses are stepping up the "Shop the Block" program, which the Dam Roast House started last year. "When you shop a participating Boulder City business on November 30-December 1, bring your receipt to another participating business and get 15-percent off your purchase. It's not just residents helping local businesses. Now it's businesses supporting other small businesses – an amazing idea!" said Jill Lagan, President and CEO of the Boulder City Chamber of Commerce. "Supporting each other in turn supports communities: public schools, parks, and roads, as well as fund public safety workers."
