

PD, FD Team Up for Educational Project on Motorized Items

Motorized devices are growing in popularity, especially with teens, but many parents don't know the legalities or the dangers. BC Police Officers often see children riding motorized devices at the same speed as vehicle traffic – as much as 30 m.p.h. – or not looking both ways as they cross streets – or not stopping at stop signs. Sadly, many children are injured or killed in

accidents with cars and trucks. For anyone thinking about buying a motorized vehicle for a minor, research laws and safety requirements to ensure safe vehicles for your children. Boulder City Police and Fire Departments have teamed up in an effort to educate residents, creating a webpage to provide information about “Wheels and Motors and Nevada Law” at bcnv.org/BikeSafety. Check it out today!

Upcoming Meetings & Events

- City Council Regular Meeting April 8 at 5:00 p.m.
- Business License Liquor Board Meeting April 10 at 8:30 a.m.
- City Council Special Meeting—Budget April 15 at 2:00 p.m.
