

Past Boulder City Historic Preservation Events (most in May to coincide with Preservation Month per the National Trust for Historic Preservation)

2010	Inaugural HP Day on Saturday 05/01; Council announcement on Tuesday 04/27. HP Day was on a Saturday to be in conjunction with Spring Jamboree; some committee members staffed an information table for the public.
2011	HP Day on Sunday 05/01; Council announcement on Tuesday 04/26. HP Day again on a weekend to coincide with Spring Jamboree; there were weather issues and limited public interest. The inaugural HP Award was also presented at the Council meeting on 04/26.
2012	HP Day on Tuesday 05/08, the date of the Council meeting and presentation of HP Award.
2013	HP Day on Tuesday 05/14, the date of the Council meeting and presentation of HP Award.
	Restoration Workshop (first) held on Saturday 09/14 at the city's Smith Center building, featuring various classes for the public.
2014	HP Day on Saturday 05/10, in conjunction with the Committee's second Restoration Workshop; Council event announcement and presentation of the HP Award on Tuesday 04/22.
2015	HP Day on Tuesday 05/12, the date of the Council meeting and presentation of HP Award.
2016	HP Day on Saturday 05/14, in conjunction with the Committee's third Restoration Workshop, co-sponsored with Boulder City History & Arts Foundation; Council event announcement and presentation of the HP Award on Tuesday 05/10.
2017	HP Day on Saturday 05/13, in conjunction with the Committee's fourth Restoration Workshop (organized late, poor attendance); Council event announcement and presentation of the HP Award on Tuesday 05/09.
2018	HP Day on Saturday 05/12; event included speakers at the LADWP building and tours of the Six Companies Lodge; Council event announcement and presentation of the HP Award on Tuesday 05/08.
2019	HP Day on Saturday 05/11; "open house" event venues included LADWP building, Browder building, historic water filtration plant, BC High School, Bullock Field, Railroad Museum, Bureau of Reclamation and The Dillinger; Council event announcement and presentation of the HP Award on Tuesday 04/23.
2020	HP Day canceled due to COVID-19 (originally scheduled for 05/11); a "Virtual Historic Preservation Month" was designated for October instead, featuring four videos posted online for the presentation of the award and three other nominated properties; the award presentation occurred at the winning property.
2021	Due to the ongoing impact of COVID-19, no HP Day was chosen and the annual HP Award was the only planned event. Because the owner of the selected home was not willing to participate, the proposed video of the home did not occur; the award

	was announced at the 05/25 Council meeting (under public announcements).
2022	HP Day on Saturday 05/14; event venues included speakers at the Dam Roast House/Browder Bookstore, Boulder Dam Hotel, BC Company Store, Railroad Museum, historic water filtration plant and a panel discussion about the proposed new HP code and local grant programs at the LADWP building. Award presentation at the 05/10 Council meeting.
2023	HP Day on Saturday 05/13, focus on the railroad: event venues included speakers at the NV State Railroad Museum Boulder City, former RR ticket office at 1306 BC Pkwy., NPS "Safety First" warehouse, historic water filtration plant and a hike thru the RR tunnels the following Monday. Award presentation at the 05/09 Council meeting.
2024	HP Day on Saturday 05/11, focus on the trains, planes and automobiles: event venues included speakers at the Old Airport Hanger, the Boulder City Company store, and NV State Railroad Museum Boulder City. Museum displays, train rides, Merci Train 75 th Anniversary Recognition, children's activities and special booths. Award presentation on HPC day.
