DOG HANDLER DEVELOPMENT ~ This course will provide a basic knowledge of dog behavior and introduce methods to motivate and train dogs. Students will learn the handling skills to become “pack leaders” and will develop the understanding of techniques, equipment, and the mentality needed to be successful handlers.

(Dogs are required to stay in vehicles during class discussions/briefing weather permitting).

Call the instructor to discuss any questions or concerns regarding your dog prior to registering for the class at 310-866-1510.

Instructor, **William Salazar** is a retired Los Angeles County Police K9 Handler. He is cross trained in patrol and narcotics detection.
