## Fire Prevention Week is October 5-11!

Boulder City Fire Department is teaming up with the National Fire Protection Association to promote this year's Fire Prevention Week campaign, "Charge into Fire Safety: Lithium-Ion Batteries in Your Home." It highlights how important it is to buy, charge, and recycle lithium-ion batteries safely. Most electronics we use today - smartphones, tablets, power and lawn tools, laptops, e-cigarettes, headphones, toys and more - are powered by lithium-ion batteries.
