MISSION STATEMENT

To provide high-quality and cost-effective recreation activities for all residents of Boulder City. These programmed activities include workshops, labs, tournaments, camps and classes, as well as activities in aquatics, arts, golf, sports and special events. We are striving to meet the community's recreational needs in all phases of our operation.

Welcome to Boulder City Parks and Recreation!

Boulder City Parks and Recreation, "We've got something for everyone"!

We invite you to explore the opportunities highlighted in our March 2026- August 2026 brochure. See what we have to offer, try something new, and get involved. Your next great adventure, workout, hobby, or friendship could be just one registration away.

The Boulder City Parks and Recreation Department is dedicated to enhancing quality of life through a variety of programs, classes, fitness, and sports. We have beautiful well-maintained parks, trails, playgrounds, and facilities where families play, neighbors gather, events are celebrated, and memories are made.

Visit our website www.bcnv.org to get all the updated information about special events, classes, programs, parks, and more. You will find information about big projects like the new Boulder City Pool and little projects like improvements to playgrounds.

At Boulder City Parks and Recreation, we have something for everyone from pickleball and line dancing to floor hockey and pottery.

Be a part of Parks and Rec today and every day!

Sincerely,

Julie Calloway,
Director, Parks and Recreation
