

VOLUNTEERS NEEDED!

The Boulder City Police Department is seeking applicants for Police Service Volunteers

Volunteers donate their time in various areas of the department and perform a variety of tasks including: Assist at the range with firearms training, Emergency call outs, Code Enforcement, In Station Fingerprints, Field Traffic Control, Special Assignments/Events, Admin/Computer Data Entry, Handicap parking enforcement, Community Education, Vacation Checks, Neighborhood Watch.

Volunteers have the opportunity to help enhance services, enabling police officers to respond more effectively to enforcement and policing priorities.

If you are interested in becoming a Police Service Volunteer, please contact Pat Richardson, Volunteer Service Coordinator at 702-589-9603 or pick up an application at the Boulder City Police Department, 1005 Arizona St.

FREE To The Public! Hands Only™ CPR Training

Grant Offered for Boulder City Parkway Multi-Use Trail

The City is excited to announce that the Bureau of Land Management (BLM) has approved a Right-of-Way Grant allowing the City to construct a missing segment of the multi-use trail alongside Boulder City Parkway across Federal land.

The City has worked together with the BLM in this effort for several years in order to support the City's Eighth Strategic Goal to enhance our system of high quality paths and trails that continue to offer multiple transportation opportunities while ensuring the safe travel of pedestrians and cyclists.

The missing section of the multi-use trail will join the existing paths near Colorado Street and allow easier access to paths in the Hemenway Valley, while avoiding pedestrian travel along the narrow shoulder of the Parkway.

Funding for construction for this project has not been budgeted, but Public Works will be looking for creative ways to complete this important project.

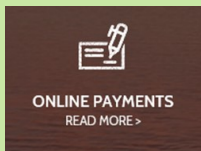

New Options To Pay Your Utility Bill!

The City of Boulder City is pleased to announce two brand new options for paying your utility bill. The City has recently teamed with Paymentus to create an IVR or Integrated Voice Response system, and a faster, easier way to pay online.

The IVR system will allow customers to call and make utility payments over the phone 24 hours a day 7 days a week without having to wait for the next available representative. We accept payments through Visa, MasterCard, Discover, and electronic check. All you will need is your Customer number and your Account number located on the top or bottom section of your bill.

You can access the automated system by calling the Utility Billing Office at 702-293-9244 and selecting option 1 for payments, or you can call directly to 1- 844-309-7109.

We will also offer a one-time quick pay option on our website www.bcnv.org. On the homepage click on the online payments icon to learn more about our online payment options. With the new process it will no longer be necessary to login; you will simply need your Customer number and your Account number from your bill and a valid email address.
