

# Help Plan for the Best Boulder City!

Ask any winning sports coaches, and they will tell you that it takes a strong, well-thought-out playbook to succeed. Municipalities should have something similar: a Strategic Plan. Boulder City is creating a new Strategic Plan, and is asking **YOU** - the residents who live and work in Boulder City - to participate!!

The Strategic Plan will cover five years: 2020 through 2025. This plan can help us continue to provide quality services, excellent housing, a strong and vibrant economy and business environment, and a commitment to sustainability.
