## Congratulations to BC's Finance Department!

The Finance Department and the City of Boulder City received a top honor from a well-regarded national financial organization. The Government Finance Officers Association of the United States and Canada (GFOA) awarded Boulder City the Certificate of Achievement for Excellence in Financial Reporting for its 2018 Comprehensive Annual Financial Report (CAFR). This is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management. The CAFR is judged by an impartial panel to meet the high standards of the program. Principles include a spirit of full disclosure, clearly communicating the community's financial story and encouraging residents to read the CAFR.
