ENGINEERING DIVISION NOTES

The permittee shall not make or install any improvements, obstructions, or structures that create a violation of law under the Americans with Disabilities Act. A 48" wide minimum walkway clearance is required. Failure to insure proper clearance can result in revocation of permit.

RELEASE

With payment of this permit, the permittee agrees to and shall release the City, its agents, employees, officers, and legal representatives (collectively the "City") from all liability for injury, death, damage, or loss to persons or property sustained in connection with or incidental to performance under the permit, even if the injury, death, damage, or loss is caused by the City's actual or alleged joint or concurrent negligence and/or the City's strict products liability or strict statutory liability.

The Public Works Department mission is to improve the lives of Boulder City citizens through the infrastructure we provide and maintain each day and the Capital Improvement Projects that strengthen the community into the future
