Re: Agreement Nos. 12-1429 and 12-1429A

Dear Mr. Armantrout,

Reference is made to Agreement No. 12-1429 between the City of Boulder City (the "City") and Acciona Solar Power dated July 10, 2012 as amended by Agreement No. 12-1429A between the City of Boulder City and Copper Mountain Solar 4, LLC ("CMS4") dated October 28, 2014.

CMS4 has received the City's letter dated August 14, 2019 notifying CMS4 that the City has completed construction of a new 16-inch water line from the intersection of US Highway 93 and US Highway 95 to the intersection of Interstate Highway I-11. With the completion of this water line, both the City and CMS4 have fulfilled all of their respective obligations under the above referenced agreements.

CMS4 acknowledges that any further costs associated with modifying or extending this water line for use by CMS4 are now the sole responsibility of CMS4.

Should you have any further questions or concerns, please contact Marilyn Burke, Director of Project Development at (619) 316-6273 or BurkeM@ConEdCEB.com.
