

Collage on Paper

with

Linda Shaffer

Use papers, acrylic paint, mark making tools, and laser jet printed images to create playful collages. The class will be introduced to acrylic paint, acrylic mediums, and the process used to create and transfer laser jet transfer images on paper. This class is for students age 16 and above. Materials students will need to bring to class: masking tape, one tablet 7" x 10" mix media paper (60 sheet tablet), marking tools such as pencils, crayons, tub for water (large yogurt container), paint brushes different sizes, one roll of paper towel. Acrylic paint required to bring to class will be titanium white, and six more colors. Wear old clothes or apron, bring lunch.
