At this time, all employees of Boulder City are considered vital to the operations of the City and must continue to report to work. All City buildings are closed to the public with very limited access. Essential City services, including trash pick-up, will continue as scheduled. “Our Emergency Operations Center (EOC) is functioning; first responders are on duty and ready to provide aid if needed,” said Emergency Manager/Fire Chief William Gray. “Our biggest message is that if you are healthy and capable, it is important for neighbors to help neighbors.
