

What's Happening around the City of Boulder City

Boulder City is in it to #WinTheCensus

The U.S. 2020 Census is underway. So far, we are leading the State in census responses! Nevada could receive more than \$20,000 over ten years for every man, woman, and child who is counted in the 2020 Census. This funding helps pay for education, affordable housing, healthcare and infrastructure in OUR city!! Every Nevadan not counted means we lose our share of federal funding to other states. You can take the census online, over the phone, or on a paper mail-in form. It takes about ten minutes to complete. The results of the 2020 census will help shape Nevada's future for the next ten years – we cannot afford to miss the opportunity to be counted. Go to www.census.nv.gov and get your census completed today!

Ranking by City (Nevada)

1	Boulder City, Nevada	61.1%
2	Henderson, Nevada	59.8%
3	Fallon, Nevada	59.0%
4	Fernley, Nevada	56.8%
5	Mesquite, Nevada	55.8%
6	Carson City, Nevada	54.7%
7	Sparks, Nevada	53.9%
8	Yerington, Nevada	53.4%
9	Las Vegas, Nevada	53.3%
10	Reno, Nevada	52.8%

Boulder City Plants a Tree for Arbor Day Festivities

Over the years, planting a tree on Arbor Day has included a celebration with elementary school students and some fanfare. This year, we had to improvise due to the pandemic. On Wednesday, April 15, 2020, Public Works, the Parks and Recreation Department and some youth from the Safe Key program planted a tree to celebrate Arbor Day. By doing so, we continue to make Boulder City a Great Place to Live! In 1872, Sterling Morton encouraged tree planting in the newly formed state of Nebraska because the land was devoid of trees. He wanted to improve the environment and beautify the landscape to attract people to the area. On April 10, 1872 he came up with an idea to set aside a day for planting and this day became the first Arbor Day.

Donation Drive Schedule Changes this Week

Thank you to all who have donated to the City's effort to collect non-perishable food and supplies during the outbreak! The first two weeks were very successful. However, we have seen a decrease in donations, so we are going to hold the drive on Wednesdays only from 10 a.m. until noon in the parking lot of City Hall. Details and acceptable items can be found at bcnv.org/CivicAlerts.aspx?AID=163.
