COVID-19 Updates: Local Drive-thru Testing Scheduled
Parks and Recreation will Carefully Open Kids' Summer Program

BOULDER CITY – The City of Boulder City, in partnership with the Southern Nevada Health District (SNHD) and Boulder City Hospital, will provide free COVID-19 nasal swab tests for the community. Emergency Operations staff plan to test 400 residents for COVID-19 virus. The nasal swab tests will be available at a drive-through clinic at Bravo Field Parking Lot on Monday, May 18 and Tuesday, May 19, 2020.

Boulder City Paramedics and Boulder City Hospital Nurses will administer the tests, and results should be available within one week. “These nasal tests determine if someone currently has the virus; they are not antibody tests,” said Chief Will Gray, Boulder City Fire Department. “Testing data will be used by the State to determine next steps in the reopening framework. We appreciate the patience and interest our residents have shown in maintaining the health of our community.”

Testing requires an appointment and is for Boulder City residents only. No doctor’s orders are necessary. The SNHD only requires patients provide a name, address, and contact information to get free testing. Residents may call 702.293.9256 on Tuesday-Thursday, May 12-14, 2020 from 8 a.m.-5 p.m. to reserve a time slot.

“We have heard from the community that they would like local testing, as most clinics have been in Las Vegas so far,” said Mayor Kiernan McManus. “Many of our residents are older and have limited transportation options. I appreciate that we are able to get more residents tested.” (See attached flyer and video at <https://youtu.be/ukEKSckGFig> for full details.)

The **Be Boulder! Kids Crew** will start May 18, 2020. The program is for children in grades K-5 who have a working parent(s). The program runs Mondays through Fridays from 7 a.m. -6 p.m. at ABC Park Gymnasium. Registration and participation is subject to space availability; no drop-ins are allowed.

“Registration is required for specific days, no refunds will be allowed and no half days,” said Roger Hall, Parks and Recreation Director. “To ensure safety of all, routine handwashing and temperature checks are required of participants and staff. Those having 100.4 degrees or higher or who have a family member who is ill will not be permitted.” Parents should supply each child with a lunch, two snacks and a water bottle with the child’s name. You must register and pay by credit card in advance by phone only: 702.293.9256.
