

Seniors Wednesdays & COVID-19 Testing

Boulder City is working with Albertson's to provide COVID testing on the busiest days of the month for this location. Take advantage of a free testing opportunity on the day Albertson's offers seniors discounts!

December 2: 6 a.m. - 9 a.m. and 3 p.m. - 6 p.m.

January 6: 6 a.m. - 9 a.m. and 3 p.m. - 6 p.m.

(First Wednesday of December and January)

Boulder City Paramedics and Boulder City Hospital Nurses will administer the nasal swab tests*, which are shorter and far less invasive than the earlier tests. Patients must provide a name, address, and contact information in order to get the free testing. Results take about one week.

**No appointments or doctors orders needed.
When you shop Albertson's in Boulder City on Seniors
Wednesdays, stop and get a quick COVID-19 test!**

**Nasal swab tests determine if you currently have the virus; they are not blood tests to determine if you have antibodies.*
