

Nevada Way Seal Coat Work this Week

Nevada Way seal coat work from Buchanan Boulevard to Wyoming Street will be done Tuesday through Thursday, October 28, weather permitting. The Contractor, American Pavement Preservation (APP), anticipates the sealed areas will be closed for approximately 8 hours before they can be opened back up to traffic. Work on Nevada Way from Buchanan Boulevard to Elm Street starts Tuesday at 2:00 a.m. The rest of the seal coat work from Elm Street to Wyoming Street will be able to be

completed while maintaining two lanes of traffic in each direction. All businesses will be provided access during the work. The traveling public is requested to adhere to traffic signs and if possible, avoid the area during this work unless you are patronizing a business along the route. APP's striping subcontractor will schedule re-striping after the material has had a minimum of 10 calendar days cure time.

Upcoming Meetings and Workshops

Public attendance is allowed at meetings. You will be required to wear a face covering until the Governor lifts the current mandate. You can email comments in advance or participate during the live stream by calling when prompted. Watch live on BCTV channel 2 or online at www.bcnv.org/streaming.
